

Horizontale schaal 1/500
 Verticale schaal 1/500
 Referentievlak 5.30 mTAW

This diagram shows a longitudinal profile of a road section. The top line represents the 'ontworpen toestand' (designed state), and the line below it represents the 'bestaande toestand' (existing state). The profile includes a drainage system with a dashed line indicating the drainage level and a solid line for the road surface. The drainage is labeled '-Drain 200mm'. The profile starts with an 'aansluiting op PRL_BN_23_14' and ends with an 'aansluiting op PRL_BN_24_1'. The elevation is marked as '0.00 mTAW' at the start.
