

Horizontale schaal 1/500
 Verticale schaal 1/500
 Referentievlak 5.30 mTAW

The drawing shows a complex of buildings and structures. The numbered parts are as follows:

- 1: A small rectangular structure on the left.
- 2: A horizontal line above the small structure.
- 3: A horizontal line below the small structure.
- 4: A horizontal line above the main building complex.
- 5: A horizontal line above the small structure.
- 6: A horizontal line above the small structure.
- 7: A horizontal line above the main building complex.
- 8: A horizontal line above the main building complex.
- 9: A horizontal line above the main building complex.
- 10: A horizontal line above the main building complex.
- 11: A horizontal line above the main building complex.
- 12: A horizontal line above the main building complex.
- 13: A horizontal line above the main building complex.
- 14: A horizontal line above the main building complex.
- 15: A horizontal line above the main building complex.
- 16: A horizontal line above the main building complex.
- 17: A square structure on the right.
- 18: A horizontal line above the small structure on the right.
- 19: A horizontal line below the small structure on the right.
- 20: A horizontal line above the small structure on the right.
- 21: A horizontal line below the small structure on the right.
- 22: A horizontal line below the small structure on the right.
- 23: A horizontal line below the small structure on the right.
- 24: A horizontal line below the small structure on the right.

A north arrow is located at the bottom center, pointing upwards. A scale bar is located at the bottom, with markings for 0, 5, 10, 15, and 25 meters. The text "Schaal 1:500" is written above the scale bar. Below the scale bar, the text "Hoogtepeilen in m TAW" and "Maatvoering in m" are written.
